

## SONOCADDIE INSTRUCTIONS

All Sonocaddie models come with a belt clip tab on the back (see attached picture of the Sonocaddie V300 below – middle and right views show the belt clip tab). So the Sonocaddie is a “no-brainer”. Simply slide your Sonocaddie on the keyhole slot of the Quick Clip.

***If you have any doubts at all about the strength, flexibility and holding power of the 3M VHB adhesive, please click on the link below. If you have any trouble opening it, simply right-click directly on the link then click on “Open Hyperlink”. Or you can also copy the link and paste it into your web browser address line:***
